Attendance Policy and Grades

Students are required to attend the departmental seminars listed on the departmental events calendar (<https://stat.osu.edu/events>).

Attendance will be taken based on the honor system. To this end, after each seminar, all students are required to certify their attendance by completing the online Carmen assignment for that seminar. Please **do not** turn in the online assignment for any seminar you did not attend.

Students must maintain a reasonable attendance record to receive a grade of satisfactory. If you will be absent, please inform Dr. Kurtek and Dr. Peruggia via email.

Students with Disabilities

This syllabus is available in alternative formats upon request. In addition, if you may need an accommodation based on the impact of a disability, you should contact the instructor immediately. Students with special needs should contact [Disability Services](#) at 614-292-3307, Fax: 614-292-4190, VRS: 614-429-1334, for certification if they have not already done so. Upon such certification, the ODS and the instructor will make every effort to accommodate special needs. However, to ensure that evaluation of student performance in the course is conducted in a manner that is fair to all students, special accommodations will not be granted in the absence of ODS certification.

Academic Misconduct

All students at the Ohio State University are bound by the Code of Student Conduct (see <https://trustees.osu.edu/assets/files/RuleBook/CodeStudentConduct.pdf>) and are responsible for familiarizing themselves with the Code. In particular, Rule 3335-23-04 (Prohibited conduct), Section A, defines academic misconduct. Suspected violations of the code in this class will be dealt with according to the procedures detailed in that code. Any alleged cases of misconduct will be referred to the Committee on Academic Misconduct.

If you have a question about whether or not an activity is or could be perceived to be academic misconduct, for this or any other class, please ask the instructor.
