Homework 1 *Due Monday, April 9*

From chapter 9, problems 1, 2, 3, 6, 7, 11, 14, 18 and 20.

Problem 20 asks you to analyze the speeds of the winners of the Kentucky Derby. Spend a little bit of time with this data set, as we will take a closer look at it later in the quarter.

Recall that the conceptual exercises will not be graded.
