Homework 4 *Due Monday, April 30*

From chapter 12, problems 1, 2, 3, 4, 13a-c, 13e, 14, and 20.

**MIDTERM EXAM**

The midterm exam will take place on Wednesday, May 2. The exam will cover material from chapters 9 through 11. As always, the material in the sequence (Stat 528 - Stat 530) is cumulative, so the exam may draw on knowledge from prerequisite courses. Material covered in class is also fair game for the exam.
